

## Squaw Snow Park Wins Approval Of Public Work Board

Warning Of Dangers Given By Attorney During Land Hearing

The California Public Works Board overcame legal objections this week to approve an experimental plan to park 12,000 cars on tightly-packed snow during the 1960 Winter Olympics.

Archibald D. McDougall, attorney for the Squaw Valley Land Company, owners of property in the area, objected on grounds that the "compacted snow" process was experimental and that only two members of the board were present to act.

He warned that the experiment "may meet with disaster" if a blizzard should hit while the thousands of cars are parked on the snow.

H. D. Thoreau, executive secretary of the California Olympic Commission, told board members the original plan called for public parking in nearby Truckee and Tahoe Valley with buses shuttling the fans back and forth.

However, the U.S. Navy offered to help out by using the compacted snow parking area, totaling about 129 acres. Under this procedure, the snow is packed tightly from when it first begins to fall to form a solid foundation for parking cars.

McDougall objected because the new proposal would require acquisition of more land in the area and a change in original land condemnation plans. He accused the board of "vacillating back and forth" in its land condemnation procedures.

## Knifing Spouse Is Fined At Hearing

Clemie Bledsoe, Jr., 34, Stockton, charged with switch-blade assault against his wife, Bernice, here three weeks ago, has pleaded guilty to a reduced charge of simple assault and was fined \$100 by Judge F. W. Wilson in the Truckee Juvenile District Court.

Bledsoe was accused of slashing his wife's arm and leg, requiring numerous stitches at the local hospital, after she surprised him and another woman in a car near Donner Lake.

Mrs. Bledsoe fled the scene and called local officers who sent out an all-points bulletin for Bledsoe's apprehension. He was later apprehended at Stockton and returned here for the trial.

Bledsoe pleaded that his wife had told him to get out of their home and that he felt he was free to visit with other women, if he desired.

## EX-CONVICTS SERVE 40 DAY JAIL TERMS

James R. Manning, 27, and James H. Clarke, 28, who had been arrested here on a charge of ex-convicts carrying firearms, were sentenced to serve 40 days in the county jail by Judge F. W. Wilson after the charge was reduced at the suggestion of the district attorney to disturbing the peace.

The pair was arrested after they allegedly brandished a pistol, reported stolen in Reno, in local bars.

## TRAFFIC DELAYS ON ROAD JOB LIFTED

Scheduled delays on Highway 40 from Floriston to the state line were lifted Monday, District Engineer Alan S. Hart announced at Marysville. Construction work is continuing on the project, he added, and flagmen will be stationed at points where construction equipment may interfere with traffic flow.

Motorists are warned the project has a posted speed limit of 35 miles per hour generally and 25 miles per hour at critical points.

The new controls, Hart said, will remain in force until the winter storms force a suspension of work until next spring.

## HIGH SCHOOL P.T.A. TO HEAR CAROLS

The High School P.T.A. meeting tonight at 8 o'clock will be featured by Christmas carols by the brass choir of the high school under the direction of Ross Price.

Students participating will be Larry Rolison, Stan Stock, Douglas Forrester, Doug Ball, Randy Schultz and Dennis Rickert.

A large turnout of members and guests is anticipated.

## LOCAL PATROLMAN GOES TO BAY AREA

Sgt. Frank Snyder of the Truckee substation of the California Highway Patrol announced this week that Patrolman W. P. Worsham is transferring back to San Mateo County, effective December 24. For the time being, Mrs. Worsham and their children will remain here.

Sergeant Snyder said Worsham's replacement would be assigned in the near future, probably from a class of recent graduates from the patrol school.

## Theater Party Will Feature Santa On Visit Here Monday

The chamber of commerce this year is not sponsoring a Christmas party for the youngsters, but Jack Neugebauer, manager of the Donner Theater, announced that Santa Claus will make his usual visit to that theater Monday, December 16 at 12:30 p. m. and has extended an invitation to all children in the area to be guests.

The visit of Santa is sponsored by the Sacramento Bee and the Donner and Brockway Theaters and aside from the usual cartoons, feature pictures and community singing, arrangements are being made to have bags of candy, oranges and apples to be handed out by Santa at the door.

The elementary school will be recessed so the youngsters may attend.

The visit of Santa to the Brockway Theater at Kings Beach will be Monday, December 16 at 7 p. m. and all the children in that area are invited to the affair.

## LAND TRADE INVOLVES LAKE TAHOE RESORT

A Marin County-Lake Tahoe land swap involving properties worth more than \$1,000,000 was disclosed Saturday in San Francisco by Ernest N. Kettenhofen, a former Bolinas rancher.

Kettenhofen said he obtained the 1200 acre Chambers Lodge, valued at \$600,000, on the west shore of Lake Tahoe from the Gottschalk Sieroty Company of Los Angeles. Kettenhofen previously owned an interest in the lodge.

In exchange the southern California firm obtained Kettenhofen's 1500 acre Box K dairy ranch near Bolinas, the 95 acre Melody Manor subdivision near Ignacio and other Marin County holdings, valued at \$400,000. Kettenhofen said some cash changed hands but refused to specify the amount.

The lodge property, he said, is covered with valuable timber and has a three-quarter mile lake frontage.

He said the Los Angeles firm plans to continue operation of the dairy ranch and to develop the subdivision.

## Pollution Board to Hear Tahoe Land Problems

A discussion relative to the Tahoe City Public Utility District and the South Tahoe Public Utility District obtaining additional land for the expansion of sewage disposal facilities will be among the items on the agenda of the 31st annual meeting of the Lahontan Region No. 6 Water Pollution Control Board on December 17.

The meeting will be held at Hesperia Inn, in Apple Valley and will be attended by Cecil Edmunds of Truckee, a member of the board. J. Y. Leggett, executive officer of the board, extended an invitation to everyone interested to attend.

## ANOTHER TRAIN TO BE GIVEN SATURDAY

Last Saturday's free electric train from Manager Jack Neugebauer of the Donner Theater went to John Hutchins and the previous Saturday Steven Besio was the lucky recipient.

The Donner presents a free train at each Saturday matinee. This Saturday the feature picture will be "The Stranger Wore a Gun," with Randolph Scott in the starring role.

## Susan Ann Baysinger To Wed Henry Leonardi

Mr. and Mrs. Lew A. Baysinger of San Rafael announced the betrothal of their daughter, Susan Ann, to Henry Louis Leonardi at a family dinner party on Thanksgiving Day at the home of her grandparents, Mr. and Mrs. Charles Baysinger of West Point, Calaveras County, Calif.

The young people have made a bride for a June wedding. The bride-to-be is a freshman at Dominican College. The family, formerly well known residents of Truckee, includes three other daughters, Betty, Janice and Lorene.

Leonardi, also of San Rafael has served three years in the navy and is now a student at College of Marin.

Recovering At Home—Mrs. C. Z. Smith returned home from Sacramento, Saturday where she had been a hospital patient. Mrs. Smith is recuperating from an illness of several weeks.

## Dolley Nominated To Head Chamber During Next Year

Election Scheduled Dec. 18 As Officers Chosen By Committee

The nominating committee for the Truckee Chamber of Commerce has submitted a list of officers for the coming year, with N. F. Dolley heading the list as president.

Ballots will be mailed to members and the election will be held at a meeting at Smart's next Wednesday, December 18, at noon. President Rex Reid announced.

Zeph Rose was nominated as vice-president and C. Z. Smith was selected by the committee to replace Earl Stice as nominee for the office of financial secretary. The 12 members of the board of directors, chosen by the committee include Lee Apple, Dr. Ben R. King, Dr. Robert Affeldt, Dan Horman, Robert Mosby, George Young, Walter Barrett, Cecil Edmunds, W. M. Englehart, Jr., Reginald Smart, Earl Stice and Kenneth Hedlund.

Dolley, in accepting the nomination to head the booster organization during the coming year, said he has some definite ideas for the future, including the procurement of needed community brochures, establishment of a central chamber headquarters, adequately manned to provide service and other innovations.

These things, Dolley declared, will be possible only through the cooperation of the directors and other members and if elected he will request united support to put over his program.

## Trailside Lodge Is Destroyed In Fire

Fire of undetermined origin destroyed the Trailside Inn one mile east of Cisco early Monday.

The blaze was reported to Ranger Paul F. Madden, Jr., of the Big Bend Ranger Station at 1:30 a. m. by a neighbor.

Madden said the state division of forestry fire fighting equipment, which is kept in the area during the forest fire season had been returned to Nevada City, for the winter.

The inn was unoccupied when the fire broke out and was closed for the weekend while the owners, Mr. and Mrs. Glenn Parsons, visited their ranch near Colfax.

The two-story frame building was built in 1948. The ground floor contained a market operated by the Parsons, a coffee shop and lounge and Parsons' living quarters. The second story contained 13 rooms.

Mrs. Parsons said the property had an assessed valuation of \$60,000.

## POT LUCK SUPPER PLAN OF DANCERS

The Donner Dancers will hold their December potluck supper dance tomorrow evening in the Veterans building. Supper is scheduled for 7 p. m. A short class will follow immediately for the adult beginners group. The regular dancing party will take up the rest of the evening.

Lloyd and Virginia Everett will conduct the class for young people tonight in the Veterans Hall.

## 20-30ETTES GATHER TO NAME OFFICERS

Mrs. Keith Reid presided at the second meeting in her home of the 20-30 ettes, the feminine counterpart of the men's 20-30 Club, a service organization.

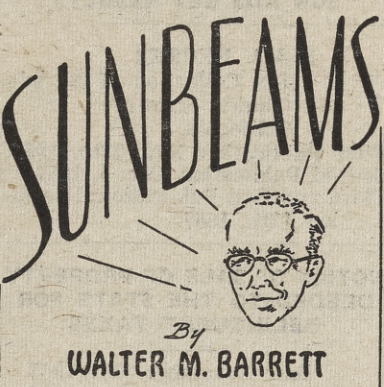

The group was formed December 3, meeting at the home of Mr. and Mrs. Jack Miller when they also elected the following officers: Mrs. Kenneth Gordon, vice-president; Mrs. Jack Miller, secretary; Mrs. William Ventura, treasurer; Mrs. Deloy Hart, publicity chairman.

Mrs. Fred Pedley spoke December 9, explaining the steps necessary to sponsor the Brownies and Carol Marquis was appointed their representative.

Troop Met—Linda Giovannoni acted as chairman for the Tuesday meeting of Donner Girls Scouts, in the absence of Dorette Rose. Joyce Schuler was a guest of the members.

Happy Day For Lynn—Lynn Quarity was feted in observance of her December 11 birthday yesterday.

SUN ADS GET RESULTS

There remain only 10 more shopping days before Christmas. Those ten days will vanish with swiftness and when they pass there will still be many people wondering why they didn't get their shopping done earlier. May we suggest that today you take your list in hand and call on your local merchant. There you will find complete stocks of all desired gift items at fair prices. More stores than ever before are bidding for your patronage and most of them have increased stocks to meet your demands. We know you will save money, time and energy by shopping at home.

The proposed county sales and use tax ordinance arguments continue to be the chief topic of conversation with proponents and opponents alike presenting what they contend are basic, undisputed facts. Which ever side they are on, however, none can deny that the sales tax, if adopted, will cost the taxpayer money. Sales tax, we are told, is not expected to reduce the current tax bill but will simply keep them from rising. Before the plan was introduced, we can recall no time when taxes did not rise as more public money was needed and it will be hard to convince us that the present campaign will be any deterrent. One of the disadvantages, as we see it, will be adding another embarrassing chore to the storekeeper's already heavy duties over and above his collecting and book-keeping duties. There is nothing wrong about the theory of sales tax as it is fair and equitable, but most certainly it has its disadvantages.

## Precipitation Here Is Above Normal

The clear, dry comparatively warm weather during most of December has resulted in the precipitation for the month being far under the 4.48 inch normal figure, but for the season generally, the precipitation is .86 of an inch over normal.

These figures were revealed by the U.S. Forest Service which said that since December 1, the area has had 4.64 inches, including 17 inches of snow for the year and that the normal is 3.78 inches to December 1.

The temperature during December has been on the chilly side with a low of 11 reported against a high of 49 on Monday.

## BILL WILLIAMS FETED AT FAREWELL PARTY

Bill Williams of Tahoe City was the guest of honor at a dinner party given Saturday evening in Donner Lake Lodge by co-workers of the Pacific Telephone Company prior to his departure for a new position as plant service foreman at Fairfield.

During the affair Stanley Zwarg presented Williams with a 30-year pin, the number of years he has been with the organization. He was also given an engraved watch and other gifts as a token of esteem from other employees with whom he has worked.

More than 200 attended the event, many out-of-town visitors from Auburn, Sacramento, Marysville, Lake County, Quincy, Portola, Chico, Reno, Carson City. The local friends of the feted family sincerely regret the departure but are happy to learn of his new position.

Dancing and visiting concluded the farewell party.

## DOLLEY FIRE CHIEF CHIEF FOR 22ND YEAR

For the 22nd consecutive year N. F. Tom Dolley has been elected chief of the Truckee Volunteer fire department. Dolley was first named to the post in 1936 and has served continuously and with a good record since.

Other officers chosen by the department at a meeting held at Cozzi's Cafe Tuesday night were: Glenn Coffey, assistant chief; Robert Siebold and H. L. Owens, captains; W.M. Englehart, Jr. and William Campbell, lieutenants; Erving Waters, sergeant at arms; Logan Moore, secretary-treasurer.

## Christmas Party For O.E.S. Slated Tuesday

The annual Christmas party of the Order of Eastern Star will be held in Masonic Hall following the regular stated meeting on Tuesday, December 19 at 8 p. m.

There will also be an initiation and all members are urged to attend and bring a 50-cent gift, properly marked for "lady" or "gent" to be distributed by Santa. Worthy Matron Lillian L. Miller and Worthy Patron Dan Anderson will preside and Pearl Heller, associate matron, will be chairman for the evening.

A Son At Reno—Mr. and Mrs. Michael O'Rourke of Reno, became the parents of a son born Thanksgiving Day.

Luncheon Guest—Mrs. Byron Miller of Floriston attended a luncheon on Saturday at Sacramento.

## Angling Plans To Be Made At Meet Of Truckee Group

Sportsmen Urged To Attend Meeting Tomorrow At Capitol

Recommendations which will be presented to the California Fish and Game Commission at the meeting of that group January 2 and 3 at Sacramento will be decided upon at a meeting of the Truckee Outdoor Sportsmen at Capitol Hall tomorrow evening at 7:30.

Vice-President Charles Osburn said the commission will meet in the State Employment building on the first floor auditorium of the building's west wing at 9 a. m., January 3 to hear recommendations for the 1958 angling season.

Osburn said that the sportsmen of the area are asked to attend Friday night's meeting here to make known their desires for the coming year's regulations. Among other things to be discussed will be a proposal to open Donner Lake on the Saturday nearest April 1. It is also possible that this opening time can be extended to Boca reservoir.

There is also a possibility that the sportsmen in this area will renew efforts to have better regulation of the water flow in the Truckee River, a matter which has long been under discussion but which has had no results.

President Frank Fox is attempting to secure some interesting films which will be shown at the meeting and all sportsmen are asked to attend.

## Tidewater Plant Here Burglarized

The plant of the Tidewater Oil Company, south of the S.P. tracks was burglarized sometime Tuesday night or Wednesday morning and an undetermined amount of tubes, oil and other items stolen.

Charles V. Osburn, local distributor for the company said he would not know definitely what was taken until an inventory is completed but that he knows two cases of tire tubes, a number of cases lubricating oils, and two batteries were stolen.

Deputy Sheriff Roy Waters said the thieves used a bar to pry the door off the hinges to gain entrance. The bar, with fingerprints, Waters said, was left at the scene and the investigation is being continued.

## RENO SKI CLUB ASKS HEARING ON FUNDS

RENO—Reno Ski Club voted Tuesday night to ask a hearing with the Nevada Olympic Committee concerning disposition of the \$200,000 appropriation the legislature has voted to help promotion of the 1960 Winter Olympics.

A discussion was held on the committee's unofficial plan to turn over the entire sum to the California board. It has been felt by many skiers in Reno and the Tahoe-Squaw Valley area that the funds could be better used to help the Olympics in other ways.

President Stan Reese will appoint a committee which will ask the hearing with the committee, which has three Reno members. The Reno Ski Club will also ask the state attorney-general for an interpretation of the appropriation bill.

## Homes At Tahoe Are Robbed Of \$3,000 In Articles

HOMEWOOD—Sheriff's deputies are investigating the burglaries of nine summer homes here in which more than \$3000 worth of articles were taken.

Sheriff William A. Scott said the investigation is hampered by a lack of knowledge of when the burglaries took place but indications are they were within a short period.

According to the sheriff, the homes, all forcibly entered, are on the lake front and off traveled roads. He said some of the homes apparently were entered by persons in a boat, while others were entered from the shore side.

Scott stated his office is working with El Dorado County deputies because El Dorado County has had burglaries reported in the lake area.

Homes entered in Placer County include those of Stanley W. Good, Jr., R. A. Haight, R. W. Bruner, John H. Huber, M. G. Best, Dr. Henry Kleinsorge, A. H. Ing, Freda E. Lundstrom and John K. Metzker.

## DONALD RENTON TO ASSIST ROY SAARNI

Roy Saarni, district ranger of Truckee-Tahoe National Forest, announced that Donald A. Renton of Big Bend, Soda Springs, has been assigned to the Truckee district as assistant district ranger.

Renton has been assigned to fill a new position created on the district to advance the sale of forest products and generally assist the ranger.

He comes to Truckee well grounded in timber cruising and appraising from four years experience on the Tahoe Forest. Renton began his career in the Sierraville district in 1950 as a member of the fire suppression crew and subsequently filled more advanced positions on Camptonville, Nevada City and Big Bend districts.

Renton served two years on the Atlantic with the U.S. Navy. Upon discharge he attended Michigan State University where he received a B.S. degree in forestry. Renton, his wife, Judy, and year-old son, Larry reported to Truckee on December 4.

## EUER DENIES THEFT OF SMITH PROPERTY

Louis Euer, well known local resident, has emphatically denied charges brought against him two weeks ago by Felix Smith of Frog Lake, who charged Euer with grand theft.

Euer, who has posted \$2500 bail, said that Smith's charge he had stolen an electric generating plant was not true, that he had previously been given permission by Larry Smith, the plaintiff's brother, to utilize the plant. Euer said he took it to provide light while working on a bridge.

Three blankets, which were also reported stolen and found at the Euer plane, were, Euer declared, virtually useless, but had been stolen. He said the Smith caretaker, James Wagner, had wrapped the blankets around baggage when he left Frog Lake and that they were left in the Euer vehicle after the latter brought Wagner to Truckee.

Euer said he was disturbed over the charges and would contest them when he is brought before the court.

## NEW YEAR'S PARTY PLAN FOR SMART'S

Reg Smart this week announced that a New Year's Eve party will be held at Smart's on Tuesday, December 31. An orchestra has been engaged to provide music for dancing and a buffet will be served. The usual noisemakers, serpentine, etc. will be available and a good rousing cheer for the New Year is planned. Reservations may be made immediately.

## LIONS CHRISTMAS TREE LOT OPENED

With the cutting of individual Christmas trees almost impossible because of tighter restrictions this year, the Truckee Lions Club has installed a sales lot at Paul Capel's Chevron Station at Gateway where choice trees are being offered at only 75 cents per foot.

Roy Waters, chairman of the committee in charge, said the funds received from the sale of the trees will go toward the club's scholarship fund. Deliveries will be made, if desired.

## Local Basketball Team Wins First 2 Season Games

Wolverines To Play Against Hawthorne In Nevada Tomorrow

(By JOHN FIRPO)

The Tahoe-Truckee Wolverines proved to be a strong contender for the Northern Nevada A Conference championship last weekend as they scored two smashing victories against the South Tahoe Vikings and the Loyalton Grizzlies. The Wolverines limited their opponents to only 12 points in the first half.

L. J. Robinson was high both nights for the Wolverines with 19 and 16 points respectively.

Friday the Wolverines smashed the South Tahoe Vikings in a conference tilt, 53-33. Tahoe-Truckee controlled the boards throughout the game with Forwards Vaughan and Nelson the big guns.

Saturday the Wolverines returned home to roll over the Loyalton Grizzlies 57-21. High point was L. J. Robinson with 16 followed closely by Teammate Floyd Cooper who had 15 points. The Wolverines led throughout the game by 16-3, 28-5, 47-10, and finally 57-21. Every member on the squad played nearly all the second halves of both contests.

The J.V. "Cubs" weren't as fortunate though as they dropped both games. Friday they lost a close ball game to the Vikings J.V. 30-22. Being the first game for some of the members of the team they played a good ball game despite the score. Woody Ribal was high with 7 points.

Saturday the "Cubs" came up against a more experienced team as they were defeated by the Loyalton Jay Vees, 45-31. Marty Kumble and Bob Merica tied for scoring honors with 9 points apiece.

Tomorrow both teams will travel to Hawthorne to take on the Hawthorne Septens. Game time for the J.V. tilt is 7 p. m. Then Saturday the teams will return home to host the Carson Senators, both games are non-conference.

## Former Official Of S. P. Here Expires

Funeral services will be held at the Lambert Funeral Home in Roseville tomorrow morning at 10 o'clock for Joseph Victor Copeland, 51, a former well known Truckee and Norden resident, who expired following a heart attack at Roseville Monday morning. The rites will be conducted by the Masonic Lodge.

Copeland was roadmaster for the Southern Pacific here and at Norden for 20 years and up until 1952, when he left to work for the Western Pacific. He was employed as general track inspector by the latter company at the time of his death.

A native of Paradise, Calif., Copeland was born September 19, 1906. He is survived by his wife, Mrs. Susie Copeland of Truckee and three sons, Ernest of Chester, Joseph and Herbert, both of Truckee and three daughters, Mrs. Helen Torri of Calpine, Mrs. Betty Triano and Miss Arlene Copeland both of Truckee.

An automobile accident last week preceded death and an investigation of circumstances are being made.

## EMPLOYMENT OFFICE BACK TO CAPITOL

Ralph Pile, who has replaced Miss Jean Stacker as office manager of the Auburn district, department of employment, this week announced that the Truckee-Tahoe transient headquarters will be returned to Capitol Hall starting next Monday, December 16.

Miss Stacker had made arrangements to handle the local cases in the Curran Distributing plant, but Pile said the Capitol offers required additional space.

The crew will arrive here Monday at 9:30 a. m. and between that time and noon will handle the continued claims and from 1 to 3 p. m. will give time to new claims. James Morse, itinerant service representative, will be in charge of the local program every other Monday throughout the winter.

## Veteran Officer Here Tomorrow From 10-3

Weather permitting, a representative from the Nevada County Veterans' Service office will be in Truckee on Friday, December 13, between the hours of 10 a. m. and 3 p. m. Anyone desiring to avail themselves of these service may do so at the office of Judge Foster W. Wilson, justice court, during the hours indicated.

Mr. and Mrs. M. Kornazewich and family left Tuesday for a cross-country visit to Johnson City, N.Y., where they will spend the holidays, returning to Kings Beach early next year.

Rolland Gautsche and Mrs. William Gautsche left Saturday for a visit with relatives and friends at Los Angeles.

California's ripe olive industry is the result of more than 50 years of careful research, both cultural and processing.

#### OLYMPIC PLANNERS TO VISIT FINLAND

A press dispatch from Lahti, Finland says representatives of the 1960 Winter Olympics in Squaw Valley will attend the 1958 skiing world championships Nordic events to be held there March 1-9 next year, the organizers reported.  
The organizing committee of the Lahti championships were informed by the Squaw Valley organizing committee they will send observers and representatives of the committee to the championships.  
The names or number of the Squaw Valley representatives were not given.

#### Culprits Nabbed

It is likely that in the future the pens in the post office will remain unmolested by petty thieves. Deputy Sheriff Emery Lander nabbed two youthful culprits in the act of "lifting" the equipment and after a heart to heart talk with their parents, the boys agreed to be on better behavior in the future.

**Let's Go, No Snow**  
Sunday morning, nice and dry. Now is the time to travel around Christmas shopping. Just around the corner. We have certainly had a wonderful fall till now. Temperature at 9 a.m. in Kings Beach 35 degrees and warming up. Ain't that wonderful?

**Now Open**  
Two of our citizens are open for the winter. Winn Morrell has opened a new hardware store in Tahoe Vista next to Ernie Crawford garage and Mrs. Morrell is in charge most of the day. The Jerry Culbertsons are keeping their novelty store open and it's right in the center of Kings Beach. Jerry has built a home at the rear, too. It's wonderful.

**Bought Home**  
Now Howard of Howards Service, Kings Beach, has purchased the Wolf home on Tahoe avenue. He also became a member of the Lions Club a week or so ago. His station is at the bottom of Brock-

way Hill and was Stevenson's Chevron Station.

**Visitors**  
Bob and Elizabeth Smith of Pacific Palisades, were visitors with Red and Mary Lou Waddell for a couple of weeks. Elizabeth is a sister of Mary Lou. Red tells me they had the time of their lives visiting Virginia City, and the Carson City museum. They both visited the Lions Christmas party.

**In Los Angeles**  
Now I hear that Louisa and Louie Antillon have left for Los Angeles and will most likely stay the winter. Their daughter, Anita, is at Sierra College in Auburn.

**Party**  
The Christmas party of the Lake Tahoe Lions Club, held at the home of Walt Mandeville on December 3, was really something to crow about. No less than 45 attended, the Felions (Lady Lions) prepared most delightful buffet while Ernie Crawford held down the refreshment part of it. Rev. Langguth was superb as Santa, even dancing to the old favorite Jingle Bells. Everyone present received gifts, among which were some

dandies. Dave Ashton recited a Christmas story, which Frank Brown had told him. Well, it wasn't altogether a Christmas story, so Marguerite, his wife said, I think she has something there, too.

Hal Brown, past deputy district governor, inducted two new members. They are Frank Brown and Donald Bogan, two swell boys. Buzz Byrley, zone chairman, attended and left a good message. And then again on December 10 another ladies night which was well attended and was more fun than a picnic. Red Waddell is president of the Lions and Marguerite Ashton is president of the Felions.

**V.F.W.**  
And now another night that was just tops when the members of the V.F.W. and auxiliary met at Crystal Bay Club on December 4. It was a delightful affair. Ray Bergman, senior vice commander, presided, assisted by President Pearl Moore of the Ladies Auxiliary. Bill Dugan, past commander acted as chaplain and the main speaker was Department Commander Ben Winn of the State of Nevada, who is the young-

est to hold that office in the country. He was really brilliant in each subject that he chose to discuss. Doctor Prescott and myself were highly honored to be guests at the brilliant affair.

**Women's Club**  
Pearl Francis, president of the North Tahoe Women's Club, tells of a big Christmas party to be held at the Crystal Bay Club on Monday, December 16. You and you and you are invited to spend the time of your young lives. There will be a cocktail hour from 7 to 8 when dinner will be served. Call Pearl for further information.

**Back Home**  
Pearl Francis has recently returned from a most enjoyable vacation visiting her parents in Missouri and friends at Colorado Springs.

**Auxiliary**  
According to Pearl Moore, president of V.F.W. Auxiliary had a great party last Sunday afternoon there were lots of interesting activities. Admiral Crenshaw received citation for outstanding work in his efficiency as commander and the Crystal Bay Post took second place for community service work, the post of Elko, Nev., taking first. This is just a start for lots more good times to come.

**Wee Bairn**  
The Dale Halls have returned to Tahoe Vista after becoming parents of a bouncing boy. Little Andy was born at the Alta Bates Hospital at Berkeley. The sweet, wee boy was named after Andy Sorensen of Tahoe Vista, cute, huh? Dale is security officer at Harrahs on the south end of Tahoe.

**Council Christmas Party**  
There will be a big children's Christmas party on the afternoon of December 21 at the same spot on the golf course at one o'clock. Kay Felte, chairman, says oodles of toys have been purchased and the same old Santa Claus will be on the job. The big tree has already been lit and pretty well everything is in readiness, so remember the date—Saturday, December 21.

their beautiful new home on Park Lane at the top of Brockway Hill. The view is really superb as one can see all over the lake, and the big porch is something to rave over. Getting down to the main part there will be open house from noon till 6 p.m. on Sunday, December 15. Wiley and Bernita welcome all of you.

## AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO (CNS)—California can look forward in the near future to a determined drive to put schools of this state on a 12, instead of a nine-month year.

This was ascertained from the comments of several legislators who are deeply concerned over the growing demands of education in California, and the fact that the schools and colleges take more than 40 percent of the state's two billion dollar annual budget.

The 12-month school plan has been "kicked around" for a good many years. The theory in its adoption is that the taxpayers would receive up to 25 percent more benefit out of the school plants if they were kept open for business the year round, rather than permitting the present summer vacation period.

The thinking does not extend to the theory that all children will be required to go to school 12 months out of the year. Rather, the year would be divided into quarters, with nine months required, and three months optional.

In other words, under such a system, the brighter students, if

they so desired, could complete their elementary and secondary education sooner than under the present system.

The legislators who are contemplating the plan do not believe it will be easy to write into law. Concentrated opposition is expected from the California Teachers' Association, and also the state department of education, both of which say that despite the fact the 12 month plan hasn't been tried, that it won't work.

In substance, these two great dictators of education in California are probably right. Working together, they could undoubtedly sabotage the plan even if the legislature voted to give it a chance.

One legislator, however, who will espouse the new plan, said that many teachers in his district would welcome a 12-month school year.

"It would give us a chance," he said he was told, "to work at our profession the year round, rather than to secure summer jobs driving trucks to earn sufficient income to pay expenses."

He pointed out that theoretically there appears to be no reason why teachers should not work the year around, the same as other people. Instead of expecting a three-month vacation. He also mentioned the fact that California's teachers earn the second highest average annual salary of any state in the union, enjoy tenure, retirement and other

benefits which are not common to people in private industry, generally speaking.

"We have come to the point," the legislator said, "where we will be required to either decrease state expenditures, or increase taxes. One method of obtaining more use from the available facilities, is to use the school plant 12 months a year."

"Originally, summer vacations were fixed so that students could help their parents harvest crops. Under California's laws today, a student can't even get a job in agriculture, so there appears to be no reason which cannot be overcome, for spacing vacations at various intervals, thereby obtaining 25 percent more use of our school facilities."

Arguments against trying the plan, the legislator said, are primarily based in refusal to accept changes and a reluctance to keep up with the modern world.

## Car Wrecked As Pedestrian Missed

To avoid striking an eight-year-old Sparks, Nev., boy who ran onto the highway into the path of her car, Pluma Swan, Vallejo, swerved the vehicle, lost control and it overturned injuring a passenger, Billie Hawkins, 17, Vallejo. The latter was taken to the Tahoe Forest Hospital for treatment.

The young pedestrian, Sherman Williamson, was not injured. Carroll Maynard, state highway patrolman, investigated the accident which occurred last week half a mile west of Soda Springs.

Thomas Phelan, 37, Salt Lake City, was taken to the hospital with head injuries Sunday, December 1 after the car he was driving got out of control on a curve in the west-end of Truckee and overturned. He was cited for being on the wrong side of the road and not having his vehicle under control.

Emil Maunier, Los Angeles, was cited for speeding after a car he was driving got out of control five and a half miles west of Truckee November 30 at 9:45 p.m. and overturned on the highway. Junius Williams, 32, Berkeley, a passenger, was injured.

## OLYMPIC OFFICIALS VISIT GAMES SITE

H. D. Thoreau, executive secretary of the California Olympic Commission and Elmore Hutchison, San Francisco designing engineer, were in Squaw Valley last week to inspect the progress being made on construction for the 1960 Winter Olympics and to outline plans for future development.

Emphasis during the visit was placed on a survey of the proposed loop highway and a compacted snow parking area, both of which projects are still undecided and which depend largely upon tests to be made during the coming winter.

## NEVADA COUNTY INCLUDED IN RABIES INFECTED AREAS

SACRAMENTO (CNS)—The state department of public health has declared 31 counties "rabies areas" and required local authorities to set up control programs, including vaccination of all dogs against the disease. Nevada county is included in the group.

Local governments were given 60 days to enforce the following provisions:

1. Vaccination of every dog over four months of age;
2. Confining to premises by owner or keeper of all dogs under that age, although sale or transportation of young puppies is not prohibited;
3. Impounding of any dog in violation;
4. City or county must provide for maintenance of pound system.

Dr. Malcolm Merrill, state director of public health, said a new law also requires local governments to provide accessible, public rabies vaccination clinics where inoculation charges will not exceed the cost of vaccination. However, dog owners may have the dog vaccinated by any licensed veterinarian.

The Society of California Pioneers was organized in San Francisco August 31, 1850.

After his two overland journeys from Mexico to California, Juan Bautista de Anza was appointed governor of New Mexico in 1778.

PARKY, THE TIDY KANGAROO, is a friendly fellow, and patient too, but his patience with litterbugs is running out. We have been very good kindergartners.

FIRST-SECOND: We are sharing our favorite Christmas stories with the class this week. John Spitsen brought one about a beautiful Christmas tree. Leo Quartly also brought his favorite book.

We are learning two Christmas songs in our room. We will choose which one we do best for our Christmas program. Mark Calhoun and Shelley Wilson are helping us a great deal in learning these songs.

SECOND-THIRD: The second and third grades followed the science of rock formations with a study of erosion in the miracle of Grand Canyon. Jon Caulkett brought a beautiful piece of petrified wood to put on display in the rock collection. Tommy Easterly is sharing a fine piece of crystal quartz.

FOURTH: We completed our unit for the week in subtraction. Those receiving hundreds on their final test were Pat Dempsey, Jerry Jorgensen, Warren Anderson, Cathy Connors, Alex Cushing, Jean Hallifax, Donna Drummond, Julian Bechdolt and Alice Calhoun.

An especially interesting story, Little Rabbit and the Candystalk, was written by Paul Cincotta. Paul entertained the class by reading his original story.

FIFTH-SIXTH: The Tahoe Lake School visited the telephone company's open house last Thursday. The upper grades have begun a study on the telephone.

The choir is rehearsing for the Christmas program to be held Thursday, December 19, at 6:30 p.m. This earlier time was decided to allow those parents who wished time to attend the high school pro-

gram at Truckee on the same night.

TRUCKEE ELEMENTARY  
KINDERGARTEN: Our pretty Christmas tree was a gift from Mary Lou Randall. We are now very busy, making the trimmings.

Stephen Young and Margaret McLane gave interesting reports on their Thanksgiving trips.

FIRST-SECOND: Michael Davis and Elgin Johnston brought Christmas stories to share with the class, and Rod Farley showed a scrapbook he had made.

Those with perfect scores in spelling Friday were: Jack Mitchell, Brian Smart, Bruce Leamon, Joe Merica, George Franceschini, Jeffery Jellin, Curtis Melugin, Judy Ingalls, Michael Kydd, Tommy Romo, Karel Sauby, Linda Russell, Elgin Johnston, Kenny Brett-hauer, Kathy Gehrke, Victor Rice, Rod Farley, Kathie Hart and Rosa Pinedo.

SECOND-THIRD: We painted two murals, one for our Christmas carols and one for our Christmas songs.

Darlene Doolittle brought us a lovely Christmas tree. Mary Ann Moore and Susan Schuler brought ornaments and Diane Daly lights for it.

THIRD: The third grade class is starting to study communication. The first area to be explored is mail.

Sandra Wright and Edward Johnson have left our class.

FOURTH: Fourth graders elected Claudia Avala, chairman; Candy Hamilton, co-chairman and L. Digesti, secretary as class officers for December.

Outstanding activity of the week was the organization of a small choir that gave a very good presentation to the class.

We enjoyed the visit to the open house of the telephone company. This visit brought forth many interesting reports and discussions.

Charles Hintz's cardboard box and Charles Trainor's "bean bag" still prove to be the best entertainers on stormy days. New arrival, Ray Currier, recently returned from Reno, the latest departure, Julie Knox, leave us with 32 members in the class.

FIFTH-SIXTH: New class officers for the month of December are: president, Kenneth Stumbaugh; vice-president, Bobby Frates; secretary-treasurer, Rowena Schuler.

The fifth and sixth grade choir will present five numbers at the high school Christmas program Thursday evening, December 19.

Our class visited the telephone office last Wednesday during its open house. We wish to thank Mr. Selkirk and other members of the telephone company staff for a most informative excursion.

KINGS BEACH SCHOOL  
KINDERGARTEN: Lana Hill and Sally Templeton each brought a little Christmas tree to decorate our classroom. We have begun our Christmas decorations for the trees.

FIRST: Robert Axelson brought a beautiful Christmas tree for the auditorium. Our class is going to decorate the tree.

SECOND-THIRD: This week, we have been rehearsing for our Christmas program, which will be held in our multi-purpose room Tuesday, December 17 at 7:15 p.m. Our class will sing three Christmas songs.

FOURTH: Mike Plevel brought some Christmas records for us to enjoy. We planned our Christmas program this week. Terry Boatman, Vern Wing, Kenney Kammerer, Darryl Lausche, and Bruce Draney were selected as shepherds. Vicki Porath and Linda Bonney are to be angels.

FIFTH-SIXTH: We have decided on our program for Christmas. We are on our way to practice. The class was especially intrigued today by a record that has "singing

dogs." We enjoyed their song, Jingle Bells.

Our Christmas tree is here and we will begin making decorations for it next Monday.

DONNER TRAIL SCHOOL  
The fourth grade is studying the moon. Bunny Board is going to demonstrate to the class how an eclipse of the sun and the moon occurs. Joyce Mabey is charting the size of the moon and the earth (a comparison). Billy Strickland is making a list about mythical sayings of the moon. He is also responsible for the collecting of picture of the moon and satellites.

Laurel Mason is going to demonstrate how the earth moves around the sun. Pamela Libbee is assisting her.

The fifth grade is studying the sun and it's family. Charlyn Levy is working on the characteristics of the sun. H. Burchfield is locating the visible planets of the sun's family. Patricia Kelly is finding out how each planet got its name. Ricky Schull, Carol Kunkler, and Anita Mabey are making a chart showing all of the planets and their orbits around the sun.

The sixth grade is involved in the study of the "Wonders of the Heavens."

Ken Kisor is making a telescope.

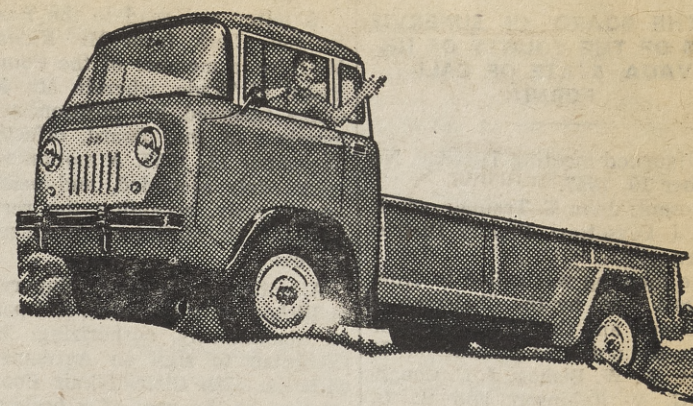

Carl Shusky is making a planetarium.

Candy Board is charting the sizes of the planets and their distances from earth.

## "A challenge to all of us..."

a statement by Robert B. Anderson, Secretary of the Treasury:

"The ownership by 40 million citizens of over 41 billion dollars in Series E and H Savings Bonds is a striking testimonial of confidence in America's bright future. This partnership of individual citizens in their government's fiscal operations means better management of the public debt—greater stability for our money—brighter business prospects for the years ahead.

"Our country needs more savings—in all forms, including the popular U.S. Savings Bonds—to help finance our growing economy. "Meeting this need is a challenge to all of us. Americans everywhere should be encouraged to regularly put aside part of their earnings for future needs. And certainly part of that saving belongs in the now better-than-ever U.S. Savings Bonds."

# IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Adjourned meeting Tuesday, November 19, 1957.

Present: John T. Trauner, Clerk. Wm. J. Cassettari, Deputy District Attorney.

The meeting was called to order at 10:05 A.M. by the Chairman of the Board, and the following members were noted as present: M. F. Smart, W. W. Bishop, J. C. Coughlan, G. N. Robinson, and H. G. Locher, Chairman.

The minutes of the meeting of November 1st were read to the Board by the Clerk, and upon a motion made, duly seconded, and passed unanimously, the minutes were approved as read.

John T. Trauner, County Auditor, gave the County Auditor's Report to the Board for the period from July 1, 1957 to and through November 10, 1957. A motion was made by Supervisor Smart, duly seconded and passed unanimously, approving and ordering filed the Auditor's Report as rendered.

Mr. Charles W. Veale, Superintendent of the County Hospital, appeared before the Board and requested authority to pay an ambulance charge from Truckee to the Washoe Hospital in Reno. Mr. Veale informed the Board that the ambulance service was not authorized by Dr. Reed. Mr. Cassettari, Deputy District Attorney, informed Mr. Veale that there was no authority given for the hiring of the ambulance and therefore the warrant would be disallowed.

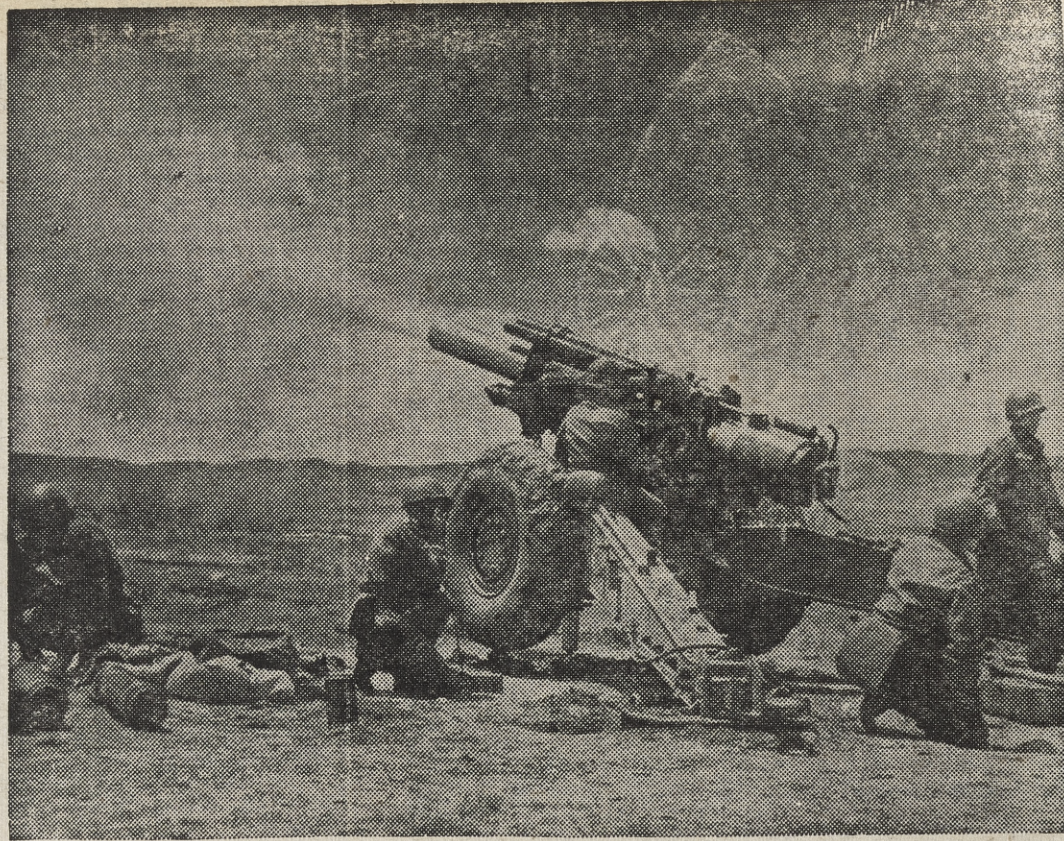

A letter was read to the Board by the Clerk from Mr. Richard McGuire, a member of the County Board of Trade, wherein Mr. McGuire resigned his position as a member of that Board, effective November 11, 1957. A motion was made, duly seconded, and passed unanimously, accepting the resignation of Mr. McGuire with sincere regrets.

A motion was made by Supervisor Bishop, duly seconded, and passed unanimously, authorizing the Chairman to sign an Agreement with the 17th District Fair Board relative to the rent of a building on the fair grounds for the use as a polling place.

Mr. George Hutchins and Mr. John Guidera, representatives of The Pacific Telephone Company, appeared before the Board and gave a presentation of a P.B.X. installation in the Courthouse. The representatives gave figures and facts relative to the work of such an installation. After a discussion, the matter was taken under advisement by the members of the Board.

Members of the Board of Directors of the Donner Summit Public Utility District appeared before the Board with their attorney, Mr. Chamberlain from Auburn, relative to some taxes that had been incorrectly apportioned to that District. A general discussion ensued, and it was decided that the District Attorney of Nevada County, Mr. Chamberlain, and the Auditor would attempt to arrive at some equitable solution to the problem.

At this time the Board adjourned for lunch to reconvene at 2:00 P.M.

**BIG BANG**—A real thrill for these Army field artillery trainees at Fort Carson, Colo., came recently when, after weeks of hard training, they range-fired this 155mm howitzer.

## AFTERNOON SESSION:

The Board reconvened at 1:38 P.M. and all members were noted as present.

A claim for the refund of taxes paid into the County was presented to the Board by the Clerk on behalf of Fred Williford, et ux. The claim was given to the District Attorney for his opinion and a discussion with the County Assessor, the Clerk was directed to write to Mr. and Mrs. Williford requesting their appearance before the Board on December 2nd.

A motion was made by Supervisor Bishop, duly seconded and passed unanimously, directing the Clerk to issue a Minute Order to the County Surveyor directing the said Surveyor to prepare a map of the County of Nevada superimposing thereupon the precinct boundary lines and the present school district boundary lines. Mr. O'Connor, the County Surveyor, was further directed to have said map prepared and presented to the Board within a period of 30 days.

A report was rendered by John T. Trauner, County Clerk, relative to reproducing the first six volumes of the minutes of the Board of Supervisors, starting with the year 1856. Mr. Trauner explained that these were hand written documents and were fast fading out. Mr. Nettell, County Recorder, appeared before the Board on this problem and gave the benefit of his knowledge for the photostatic process required. After a discussion by the Board, the matter was tabled.

Mr. Kenneth Hathaway, Coordinator for the office of Civil Defense, appeared before the Board relative to the procurement of surplus property. After a discussion with the Auditor and the Board, the Chairman directed Mr. Hathaway, the District Attorney, and the Auditor to set up proper procedures for the procurement of surplus property.

At the request of the Chairman of the Board, Mr. W. W. Brunner reported on a recent sales tax committee meeting and entered into a discussion with members of the Board who were not present at that meeting. A lengthy discussion ensued relative to the possible enactment of a sales tax ordinance in the County of Nevada. After a long discussion by the members of the Board and the numerous people in the audience, it became apparent to the Chairman of the Board that the enactment of a sales tax ordinance could not be

done at this time, and the matter was postponed for further discussion to December 2, 1957.

Mr. Charles Kitts, County Assessor, appeared before the Board and requested that certain cancellations and reduction of assessments be made. A motion was made by Supervisor Robinson, duly seconded, and passed unanimously, directing the Auditor to cancel or reduce the assessments that were at that time filed in the Auditor's office.

At the request of the County Assessor, Charles Kitts, a motion was made by Supervisor Robinson, seconded by Supervisor Bishop, and passed unanimously, authorizing the attendance of Mr. Kitts at a conference in Woodland on November 22, 1957, and the expenses incurred therein are to be deemed a proper County charge.

A motion was made by Supervisor Smart, duly seconded, and passed unanimously, authorizing the attendance of any Supervisor at a conference in Woodland on November 22, 1957, and the expenses incurred therein are to be deemed a proper County charge.

Mr. Robert K. Graham, Road Commissioner, appeared before the Board and rendered his report to the members. A discussion was entered into with Mr. Graham and the Board members relative to certain road projects and there was no official action taken by the Board.

A motion was made by Supervisor Robinson, seconded by Supervisor Coughlin, adopting a Resolution allowing the County Clerk of the County of Nevada authorization to accept and consent to all deed and grants conveying any interest in or easements upon real estate. Upon a roll call ballot, a unanimous vote was recorded.

Margery Worth, Welfare Director, and Charles Veale Superintendent of the County Hospital, appeared before the Board relative to an amendment to the present agreement in effect with the Tahoe-Forest Hospital District. After a discussion with the Board and the Auditor, a motion was made by Supervisor Smart, duly seconded, and passed unanimously, directing the Clerk to issue a Minute Order to Mr. Veale to go to Truckee and confer with the administrator of the Tahoe-Forest Hospital relative to the amendment.

At the request of the Welfare Director, and upon a motion made by Supervisor Bishop, duly second-

ed, and passed unanimously, the sum of \$1,525.45 was declared payable to the California Physicians' Service in accordance with the terms of the contract between that service and the County of Nevada relative to the provision of medical care of the County indigent people. The Auditor was directed to issue his warrant payable to the California Physicians' Service in the above-named amount.

Mr. Clare Hughes, Purchasing Agent, appeared before the Board and gave bids on the various building requirements at the Veterans Memorial Building in Grass Valley. After a discussion, a motion was made by Supervisor Bishop, duly seconded, and passed unanimously, authorizing the bid for those repairs to Mr. Steven Chileski in the amount of \$187.00.

The Purchasing Agent then presented the Board with bids received relative to reroofing the Veterans Memorial Building in Grass Valley. After a discussion thereof, a motion was made by Supervisor Coughlan, duly seconded, and passed unanimously, authorizing the bid to Jenkins Roofing Service in the amount of \$1,876.00.

At the request of Supervisor Bishop, and upon a motion made by Supervisor Coughlan, duly seconded, and passed unanimously, Supervisor Bishop was authorized to be out of the State of California for an indefinite period of time due to the critical illness of his mother.

Mr. Walter McCormack, accountant from the Road Department, read the Road Commissioner's Fund Report for the month of October, 1957. A motion was made by Supervisor Robinson, duly seconded, and passed unanimously, accepting and approving the foregoing Report and ordering the Clerk to file the same.

There being no further business to come before the Board at this time, a motion was made, duly seconded, and passed unanimously, to adjourn Sine Die.

H. G. LOEHR  
Chairman of the Board of Supervisors.

## TNT TIDINGS

by NANCY WATTS

Spirited Tahoe - Truckee High School held a rally last Friday, the first of the basketball season. The band played several selections and quite a few yells raised the roof. A very comical skit was presented by the cheerleaders and some of the basketball team. Joyce Slate, a new cheerleader, who was elected a few weeks ago, participated in leading yells for the first time.

TnT's first two basketball games were played last weekend; one at South Tahoe, and one with Loyalton, here. The rooters' buses were taken to Bijou and a riotous "time was had by all." At half-time during the Loyalton game, the school band marched and formed a "T" and the word "Hi" (to the Loyalton rooters). Tahoe-Truckee won both the games with a large score. Congratulations and keep up the good work.

An assistant treasurer at Tahoe-Truckee will be chosen this year to help the treasurer, Dorothea Frey. The assistant treasurer will automatically become treasurer next year. The candidates for assistant treasurer are Luisa Scituto, Carol Ann Quilici, Sharyn Wright, Beverly Gunkel, Nancy Watts, Bernice Plemons, Judy Vaughan, and Virginia Fudge. Candidates must have had one year of typing, must be in the junior class, and can hold no other office during her

## COMMUNITY CHURCH NOTES

Rev. A. T. Hanson has been hospitalized at Sutter Hospital in Sacramento but has been dismissed and is recuperating at his home in Sacramento. He will return Friday, December 13, to Truckee, and he will preach at the Sunday morning service on December 15 at 11 a.m. Special violin music will be played by Mrs. Ben R. King, Jr.

During the past week the official board met on Tuesday.

The dress rehearsals for the cantata were scheduled for this week, one last night, Wednesday, in Kings Beach and Friday night in Truckee. Plans are being made to enlarge this cantata, "The Story of Christmas," may do so. It will be held in Truckee-Wednesday, December 18, and in Kings Beach on Friday, December 20. The direction is under Victor McLane and the soloists are fine local talent.

## TRUCKEE BIBLE CHURCH

W. Henry Boyd, field director with the Student Missionary Council, visited in the home of Pastor and Mrs. Roy Rhoades the first part of this week. He brought the message at the regular Wednesday evening Power Hour.

Sunday we all look forward to having Caroline Hansen speak to our teen-age Sunday school class. Caroline spent last summer in Tahoe City under S.M.C. Many of her friends will be happy to hear of her experiences this fall as she has been preparing and studying to leave for China as a missionary under the China Inland Mission Board.

Teen-Time meets this Saturday at the basketball game first and then to the home of Mr. and Mrs. E. L. Brown for a time of singfest, devotion by Virginia Fudge and, last but not at all least, hot dogs and pop.

The women of the Tuesday Bible Class are planning a Christmas luncheon next Tuesday at the home of Mrs. William Englehart, Jr. The regular Bible study on Practical Christian Living will be set aside for this one occasion in order that the message might speak of "The Gift of God."

## Aliens Will Register Soon

District Director Bruce G. Barber of the immigration and naturalization service stated that the annual alien address report program usually causes a sharp rise in the number of applications for naturalization.

The law requires all aliens in the United States, with few exceptions, to report their address each January. Throughout the United States, almost 30 percent more applications for naturalization are received during the months of January, February and March than are received during other months. Barber attributes this sudden rise to the Alien Address Report Program.

VFW COMMANDER  
IS FETED AT TAHOE

CRYSTAL BAY—A cocktail party and dinner were held at Crystal Bay Club December 4 by Lake Tahoe Post of the V.F.W. and Auxiliary to honor Ben Winn of Reno, department of Nevada commander. The meeting was conducted by Senior Vice Commander Ray Bergman in the absence of Commander Crenshaw, who was attending a civil defense school at Santa Rosa. Commander Winn, at 29, is the youngest man to serve as commander in the State of Nevada. He is a member of Reno Post and served as commander of that post for 18 months.

Winn gave a report on the 58th national convention held at Miami and also outlined the department's program for the coming year and urged all post and auxiliary members to get behind the pending legislation. Winn was accompanied by his wife, Velma, and other department officials.

Placer County Nurse Is  
Chosen For Expeience

AUBURN—The Placer County Health Department has announced the appointment of Miss Elizabeth Hornick as director of public health nursing for the department as of November 1.

Miss Hornick fills a vacancy existing for several months. Her qualifications are excellent for the position. She was previously a supervising public health nurse for the San Bernardino County Health Department and prior to that she had excellent experience in public health nursing in Los Angeles and Iowa. She is a graduate of the University of Minnesota and received her masters degree at the University of California at Los Angeles.

Hearing Is Set On Tahoe  
District Land Annexation

TAHOE CITY—The board of fire commissioners of the Tahoe City Fire Protection District accepted a petition signed by 69 individuals asking that contiguous territory be annexed by the district to provide them with adequate fire protection at a special meeting called December 4.

A resolution passed by the commissioners ordered the petition and notice of public hearing published in a newspaper published within the County of Placer. The date of the public hearing was set for December 20, 1957 at the Community Hall here at 8 p.m.

The territory proposed to be annexed extends in three directions from Tahoe City. About one-half miles both north and south along the lake shore and about the same distance down the Truckee River include the petitionary territories. Al Henry, chief of the local fire department, circulated the petition after securing maps and descriptions of the territory.

North Tahoe Council  
Files For Incorporation

AUBURN—Articles of incorporation have been filed with the county clerk for the Council of North Tahoe Organizations, a non-profit association formed as a fact finding body.

The articles declare the primary purpose of the organization is to find and express public opinion on various matters affecting the residents of the north portion of Lake Tahoe.

Directors are Dallas L. Hughes, Earl L. Nelson, Katherine Felte, Gene Faulkner and Otis Wing, all of Kings Beach, Lake Tahoe, and Walter Madeville of Crystal Bay, Lake Tahoe.

## Traffic Questionnaire

The California Traffic Safety Foundation is eager to have your views on the subject of Traffic Safety. Printed below, through the cooperation of this newspaper, are ten questions pertinent to every Californian. Your opinion is important! Please answer these questions carefully. Mark an "X" under YES or NO in the spaces provided. The completed questionnaire should be mailed to the California Traffic Safety Foundation, Suite 404—660 Market Street, San Francisco 4, California. Do not send returns to this newspaper!

Your answers will be reviewed and given careful consideration by the Foundation, Governor's Traffic Safety Committee, California Highway Patrol and California Department of Motor Vehicles. Only YES and NO answers can be considered valid. One set of answers per questionnaire, please. For any added comment, attach a separate sheet of paper.

	Yes	No
1. Do you favor an absolute maximum speed limit of 65 miles per hour?		
2. Do you favor compulsory intoxication tests for drivers suspected of operating vehicles while under the influence of intoxicating liquor?		
3. Do you support the idea of a traffic school for violators in addition to penalties imposed by the court for those committing more serious hazardous traffic violations and for "repeat" offenders?		
4. In your opinion should urban and other heavily traveled highway sections be more adequately lighted for night driving?		
5. Should "behind-the-wheel" driver training be compulsory in all high schools?		
6. Are you in favor of the use of radar by traffic law enforcement agencies in the control of excessive speeds?		
7. Do you believe in more strict traffic law enforcement, including stiffer penalties to apply uniformly in all courts for motorists guilty of accident-causing violations?		
8. Do you favor a program to control horsepower and top speed available in motor vehicles?		
9. In your opinion should a compulsory motor vehicle inspection program be adopted by the State of California?		
10. Do you believe seat belts should be required in automobiles? (Studies reveal that the use of safety belts in motor vehicles reduce the opportunity for driver-passenger injury.)		

Please fill in the following. Check age group and "Male" or "Female" designations.

Name.....Address.....

City.....County.....

Male ( ) Female ( ) Age Group: 15-19 ( ) 20-24 ( )

### Tell Of Trips

Tahoe City Rotary met Tuesday night at Bacchi's Inn in Lake Forest with 25 members present and no visitors or guests for the first time in many meetings. In the absence of the program chairman, President Warren Porter asked Martin Spitsen to tell of his vacation trip to Disneyland and Basil Kehoe to give highlights of his holiday trip to the east. Spitsen described his trip with all the members of his family as most enjoyable with one exception. In Bakersfield their car was broken into and all suitcases stolen. Kehoe

motored with his wife to Kentucky where they visited relatives and friends. They then toured New Orleans thoroughly before driving up into Canada from where they returned by northern states. Kehoe reports that the more than 6000 mile trip was made largely in the best of weather conditions. The couple returned home in time to have Thanksgiving with the children.

### Women's Club

The Women's Club of Tahoe held its regular December meeting Thursday at the brightly decorated Bacchi's Inn. After the regular business meeting conducted by President Mrs. Don Snyder the women exchanged gifts as is their annual custom. Christmas songs were sung until Santa made his jovial appearance. He was somewhat doubtful of some reports of "goodness" but relented in time. As well as gifts for each other the women had brought their cookies and candies, beautifully wrapped for the veterans in the Reno hospital. There is still time to bring in these packages until December 13.

### Tenth Birthday

Joyce Anderson celebrated her tenth birthday Thursday afternoon with her Brownie friends at the Community Hall. Her mother, Mrs. John Anderson, served the girls the traditional cake and ice cream after their regular meeting. Games were played and the birthday gifts presented. Besides the young hos-

### High Point Man

Douglas Wilson, a last year graduate of Tahoe Truckee High, was high point man in a recent basketball game of the Sacramento State Junior Varsity with El Dorado County High School. Doug made 13 points of the winning 45-37 score. Doug was home for Thanksgiving with his parents, Mr. and Mrs. Ivon Wilson of Tahoe Pines. With him for the holiday was his roommate, Earl Stahl whose home is in

the northern part of the state.

STATE OF CALIFORNIA  
DEPARTMENT OF PUBLIC WORKS  
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock P.M. on Wednesday, January 22, 1958, at which time they will be publicly opened and read in the Assembly Room of said building for construction on State highway in accordance with the specifications therefor, to which special reference is made as follows:

Nevada County, between 0.5 mile west of Boca and 0.8 mile east of Floriston (III-Nev-38-A,B), about 6.7 miles of four-lane divided highway together with ramps, access roads and connections to be graded and paved with portland cement concrete on cement treated subgrade, plant-mixed surfacing to be placed on cement treated base and untreated base, and six bridges to be constructed.

Bids are required for the entire work described herein. The time limit specified in the special provisions for the completion of work contemplated herein is, in the opinion of the State Highway Engineer, insufficient to permit completion of the work by the Contractor working a normal number of hours per day or week on a single shift basis. It is expected that additional shifts will be required throughout the life of the contract to the extent deemed necessary to insure that the work will be completed within the time limit specified. Any additional costs occasioned by compliance with these provisions will be considered to be included in the prices paid for the various contract items of work and no additional compensation will be allowed therefor.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with Federal funds and that therefore all of the applicable Federal statutes, rules, and regulations will apply to such work.

The attention of bidders is particularly directed to the provisions of Section 7, article (a), a subarticle (6), of the Standard Specifications regarding the use of domestic materials; to the provisions of Section 8, article (b), of the Standard Specifications regarding assignment of the contract; to the requirements of Section 7, article (h), of these special provisions regarding non-collusion among contractors; to the requirements of the special provisions regarding subcontracting; and to the prevailing wage rates predetermined by the Secretary of Labor as provided in Sections 5 and 7 of the special provisions.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions. In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate per hour	Classification
	<b>Skilled Labor</b>
\$3.30	Asphalt plant engineer
3.62	Boom type backfilling machine operator
3.00	Boxman (asphalt plant)
3.225	Carpenter
3.22	Cement finisher (journeyman)
3.055	Combination bootman and road oiler
2.89	Compressor operator
3.25	Compressor operator (2 to 6)
2.89	Concrete mixer operator (up to one yard)

AMENDED COMPLAINT  
FOR RATES FILED BY  
TELEPHONE COMPANY

Pacific Telephone and Telegraph Company Friday filed an amendment to its application for a telephone rate increase now pending before the California Public Utilities Commission. Unchanged is the 6.9 percent rate of return sought by the company in its original application.

The amendment seeks to offset higher wage costs. Manager George Selkirk said. Most telephone employees have been granted wage increases within the last five weeks, he added.

In its amended application, the company is asking to increase

monthly rates for basic telephone service throughout the state. The original rate application, filed August 7, did not ask for any changes in basic rates.

Monthly increases for residence customers would be five cents on four party, suburban, and farmer line service, ten cents on all two party services, and 35 cents on one party lines.

The increase on business individual and party line services would be a flat 35 cents per month. Overall effect of the amendment would be to increase company revenues by about \$12,000,000 annually, Selkirk said.

Selkirk commented on the effect of the amended application in the Truckee-Lake Tahoe area: "The majority of our residence

GAYLE BEYER WEDS  
ROBERT E. CLARK

SODA SPRINGS—Gayle E. Beyer of Soda Springs became the wife of Robert E. Clark of Lake Forest on Wednesday, November 27 at 8 p.m. The marriage vows were repeated at candlelight service at Saint Lukes Lutheran Church in Reno.

The bride and groom were attended by the groom's twin brother, Richard Clark, and his wife. The bride's gown was of chantilly lace of ballerina length with a sweetheart neckline, tight bodice, full skirt and long sleeves. She also carried her Grandmother Harder's wedding handkerchief.

The bride was given in marriage by her father, Harry J. Beyer, Jr. Members of the families present included Mr. and Mrs. Harry J. Beyer, Jr., Mr. and Mrs. Donald C. Johnson, Mr. Harry J. Beyer, Sr., and Mrs. J. E. Harder. Also attending was Edgar McDowell of Stanford.

Immediately following the ceremony a reception was held in the main ball room of the Hotel Golden.

The bride attended Willamette University in Salem, Ore. The groom attended Gainesville University, Gainesville, Fla. The newlyweds will make their home in San Francisco.

In Valley—

Mrs. Cecil Clepper, daughter Denise and Mrs. Frank Quilici were recent Sacramento visitors.

customers throughout California would pay ten cents or less additional per month for their service. For example, a Truckee-Lake Tahoe area customer with a two-party flat rate line would pay \$3.60 monthly instead of the present \$3.50, not including tax."

Some additional revenue would be obtained from a moderate increase in some person to person long distance rates and from charges on certain items of special equipment. The combined effect of the increases proposed on person to person calls within California in the initial and amended applications would vary from five to 50 cents on a three-minute call, depending upon the distance involved.

No increase in station to station calls or in calls to points outside of California is being asked in either the original or the amended rate applications, Selkirk said.

George M. Dean, vice-president and general manager for Pacific Telephone, made this statement:

"This supplementary application is necessary if we are to realize the rate of return asked in our original application. We believe this is the minimum return we can operate on under today's conditions and still carry out the expansion and improvement program that is so important to California's future."

"We have no alternative but to seek to recover these additional costs of doing business. The effect of this increase on the bills of most of our subscribers will be slight. But it will have an important bearing on our ability to meet the needs for an expanding and improving telephone system in California."

**TWO AUTO WRECKS REPORTED IN AREA**

Two motor vehicle accidents during the past week were reported by Sgt. Frank Snyder of the highway patrol.

A California Liquid Gas truck, operated by Ralph D. Hardy of North Highland, overturned on State Route 89 two miles south of the Tahoe-Truckee Wye Sunday evening and traffic was blocked between that time and 1 a.m. when dangers of an explosion or fire were eliminated.

Hardy told the patrol he met a car straddling the center line and when he pulled over to avoid a head-on collision, the truck went off the pavement and the trailer went over on its side. No violation was reported.

James E. Young, 54, Doyle, was injured when his car sideswiped a truck loaded with hay and driven by Ellis L. Taylor of Fallon, Nev., near Kingsvale Saturday morning at 11:10.

Sergeant Snyder said Taylor was unaware of the accident and did not stop until he reached Grass Valley. No violation was in evidence, the sergeant said.

**ACCUSED BEATERS TO FACE COURT TODAY**

**NEVADA CITY**—Non-jury trial will be held before Nevada County Superior Judge Vernon Stoll today for Ray Dyer, 24, and Eugene Robert Brannon, also 24, on a charge of assault resulting from the near-fatal beating of a 51-year-old one-armed flagman near Floriston in October.

Jury trial was waived as the pair had waited so long for hearing which was only completed yesterday for Brannon in Nevada City Judicial District Court on awaiting a truck driver witness from Wyoming.

Dyer had been bound over from Truckee Judicial Court last month but information against Brannon was incomplete, sheriff's officers noted, until the truck driver could be in court.

The victim was Roy Grimm of Reno who was allegedly beaten to the ground and kicked by the accused pair.

# Tarzan

by EDGAR RICE BURROUGHS

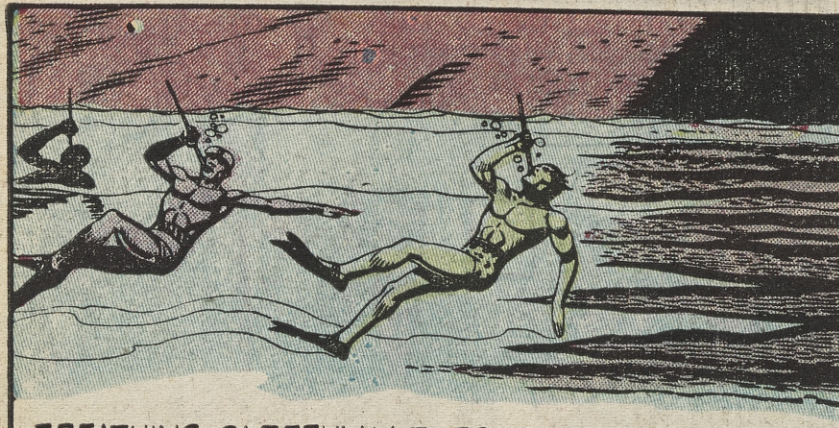

WHILE BRUCE BROWN WAS GATHERING HIS FORCES ON SHORE, THE APE-MAN WEIGHED ANCHOR NEAR THE FORTRESS.

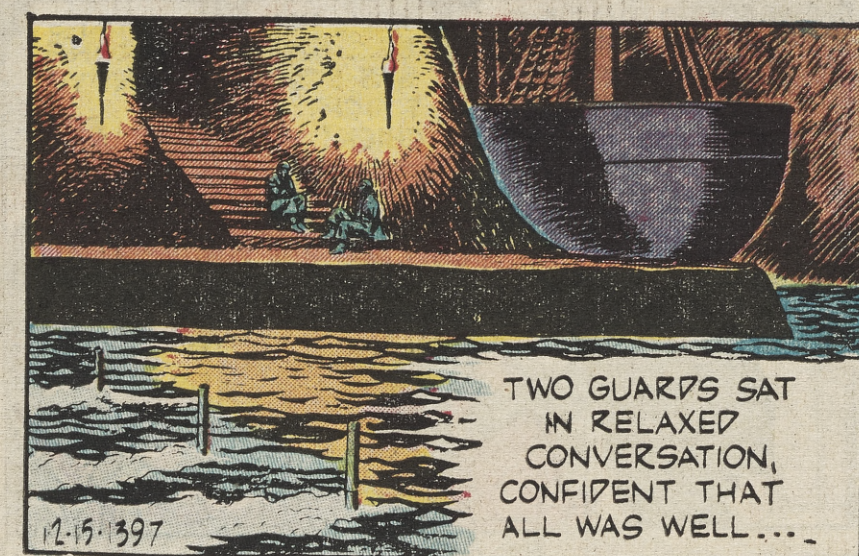

NOW IT WAS TIME FOR TARZAN AND HIS MEN TO ACT. HE WAITED TENSELY, NERVOUSLY AS THE WARRIORS ADJUSTED THEIR EQUIPMENT.

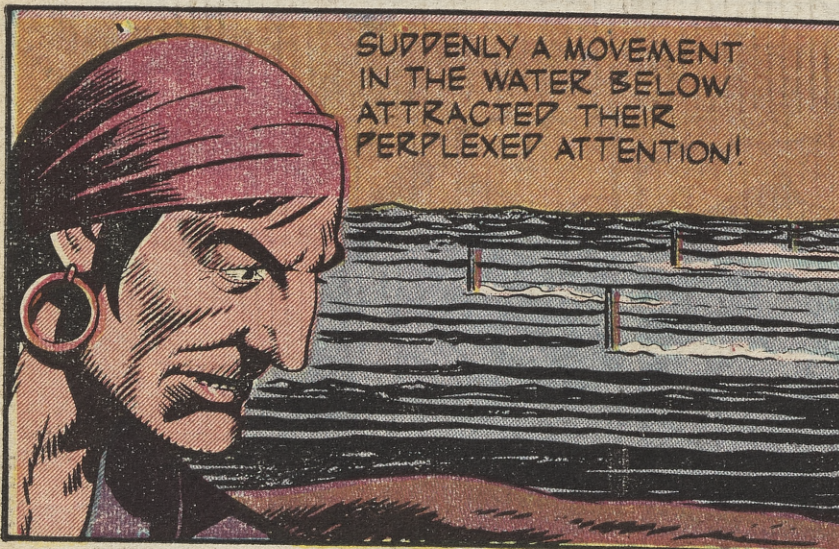

THEN, QUIETLY THEY SLIPPED BELOW THE INKY SURFACE OF THE SEA.

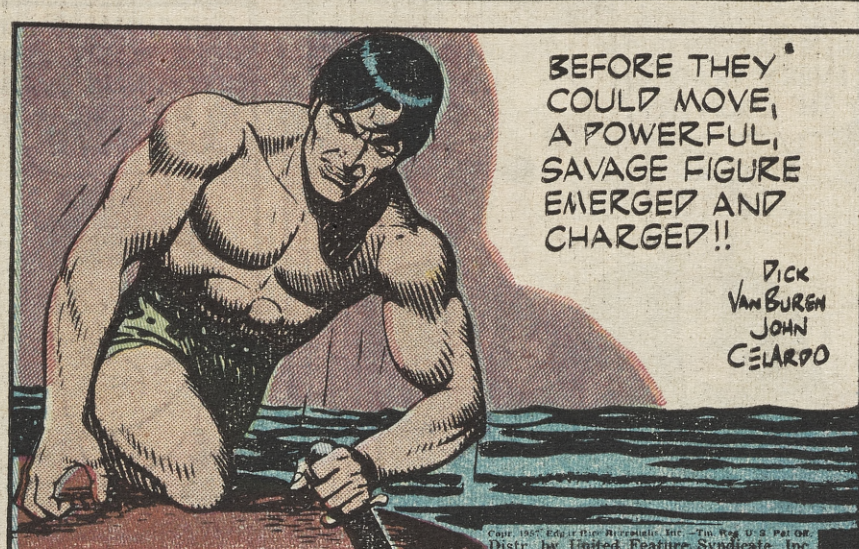

BREATHING CAREFULLY THROUGH THEIR REEDS, THE MEN SWAM UNDERWATER AND UNNOTICED INTO THE SUBTERRANEAN HIDEOUT, WHERE--

TWO GUARDS SAT IN RELAXED CONVERSATION, CONFIDENT THAT ALL WAS WELL....

SUPPENLY A MOVEMENT IN THE WATER BELOW ATTRACTED THEIR PERPLEXED ATTENTION!

BEFORE THEY COULD MOVE, A POWERFUL, SAVAGE FIGURE EMERGED AND CHARGED!!

## Abbie an' Slat's

Featuring  
**BATHLESS GROGGINS**

by  
**RAEBURN VAN BUREN**

BATHLESS GROGGINS HAS CONNED THE SHEIK OF SHOLCKISTAN INTO BELIEVING THAT HE IS HIS OWN SON!!

SO BE IT, SON OF GROGGINS, THE THIEF AND SWINDLER - YOU ARE NOW TO TAKE THE TEST WHICH WILL PROVE WHETHER YOU ARE FRIEND OR ENEMY TO ME AND MY PEOPLE!

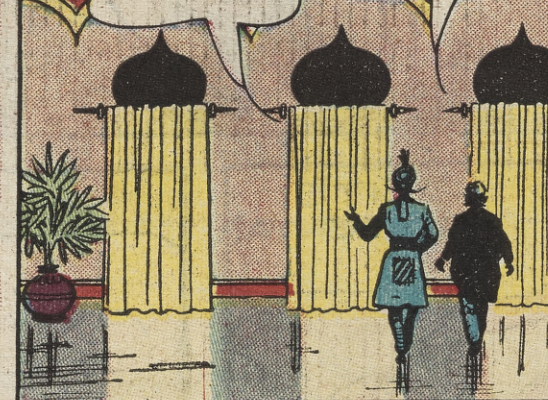

BEHIND ONE OF THESE DOORS IS AN OPEN CAGE OF RAVENOUS LIONS --

RAVENOUS --? (GASP) DON'T THAT MEAN HUNGRY??

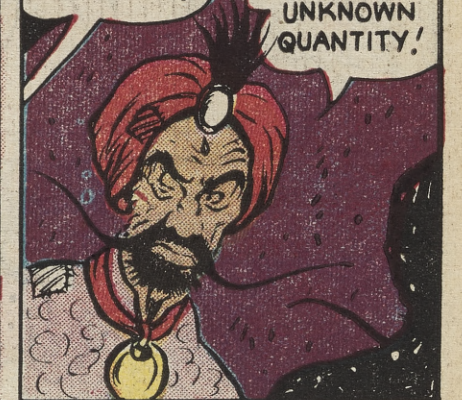

BEHIND ANOTHER OF THESE DOORS ARE SEVERAL BEAUTIFUL GIRLS --

THAT'S A (CHUCKLE) IMPROVEMENT!

BUT I SEES THREE DOORS - WHAT'S BEHIND THE THIRD?

A SURPRISE, GROGGINS, THE SON OF A SWINDLER - UNKNOWN QUANTITY!

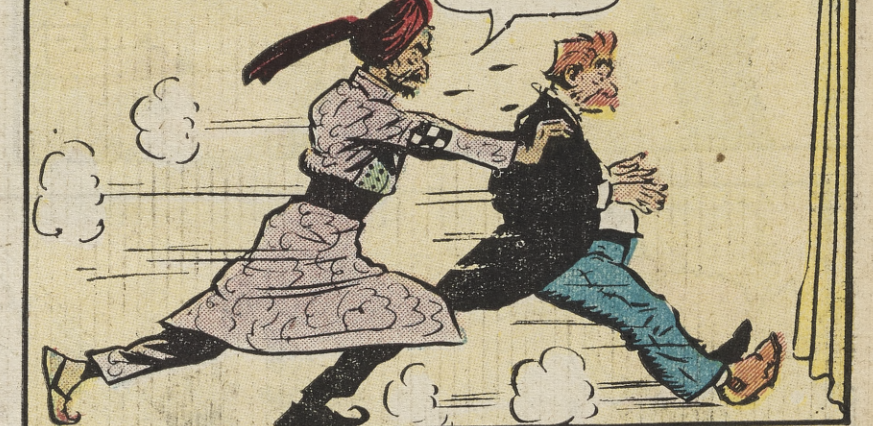

AND YOU ARE TO ENTER ONE OF THEM. ARE THERE ANY QUESTIONS?

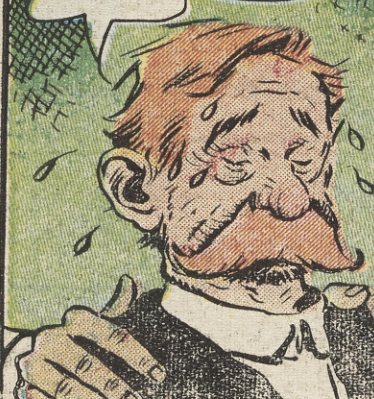

KEERECT - WHICH IS THE WAY OUT O' THIS JOINT?

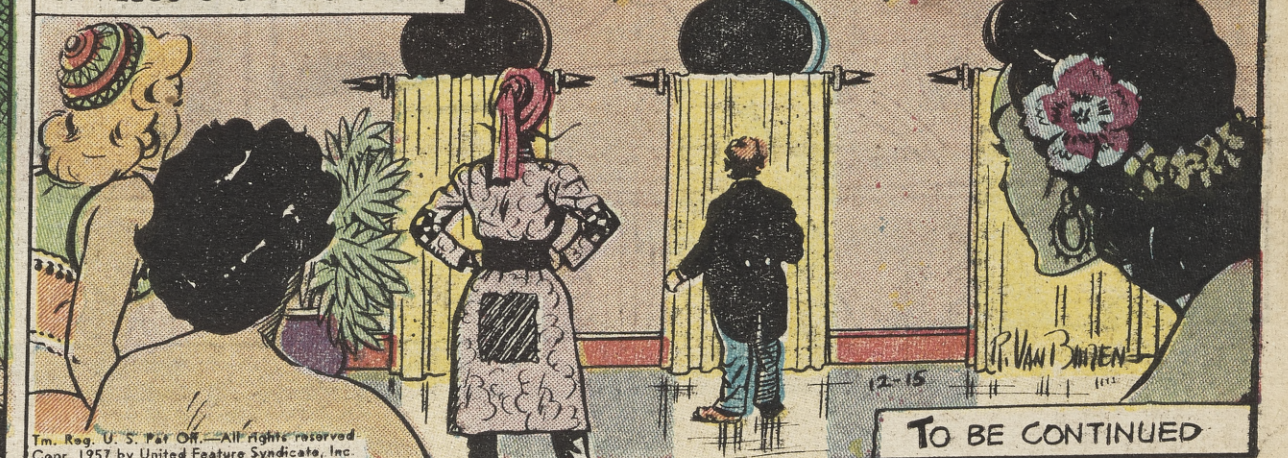

THERE IS NO WAY OUT - SAVE THROUGH ONE OF THOSE DOORS! CHOOSE!

IF EVER THERE WAS A TIME FER YOU T' GET LUCKY, PAL - THIS IS IT!

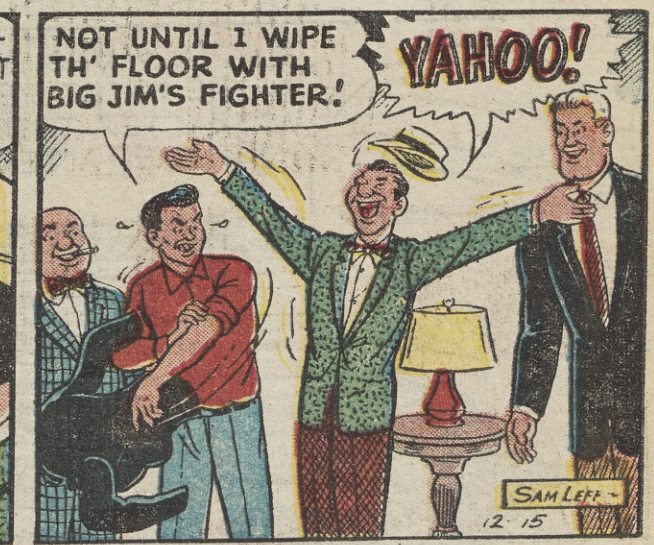

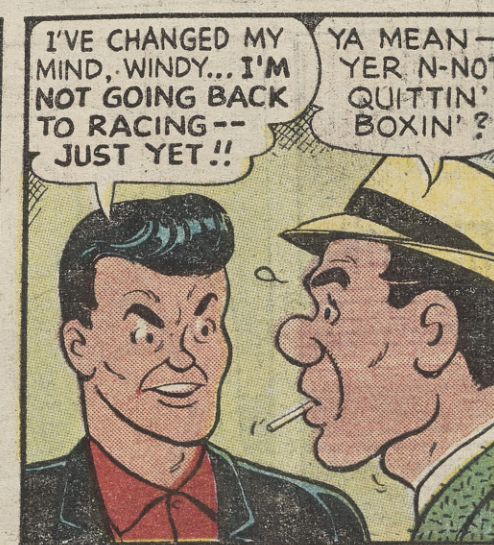

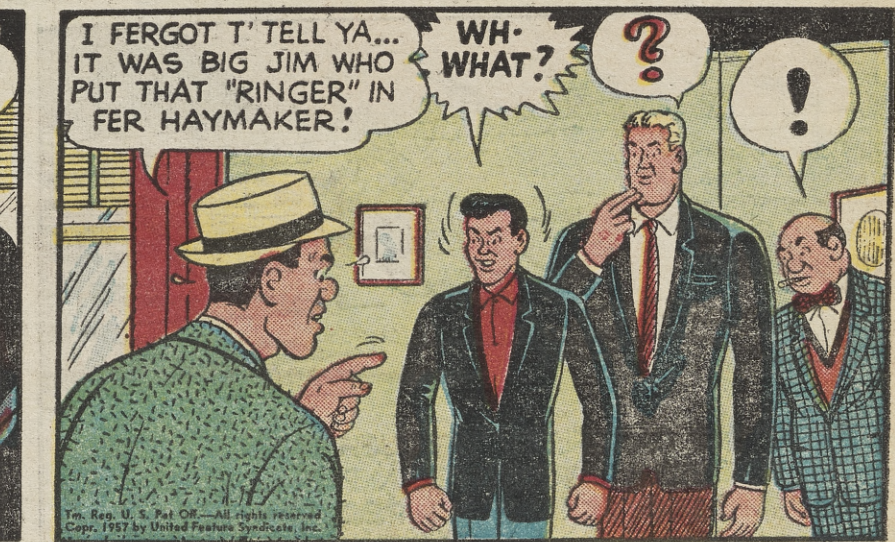

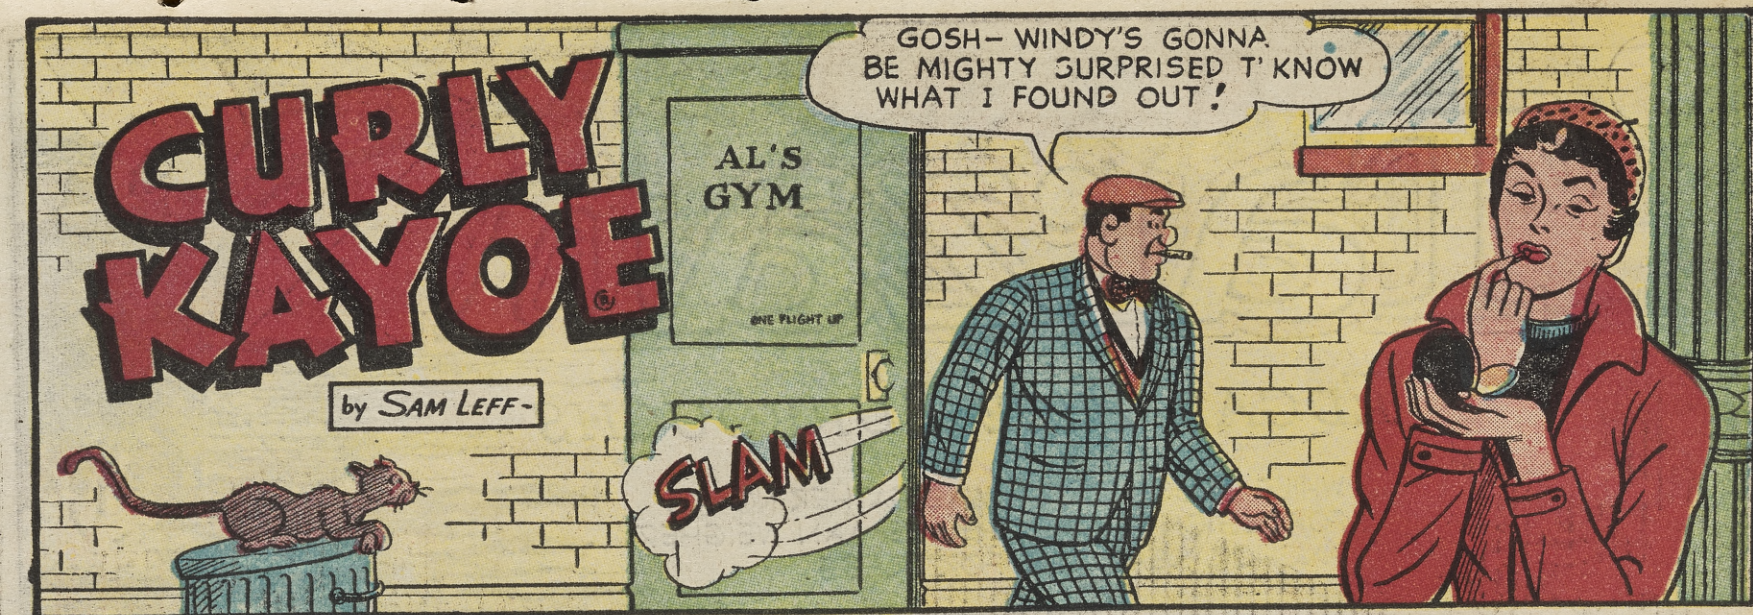

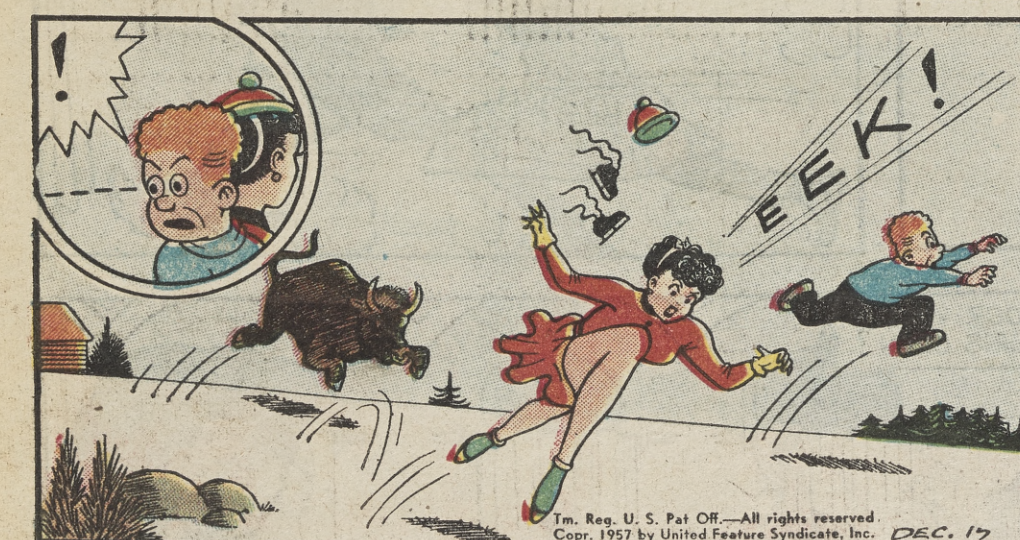

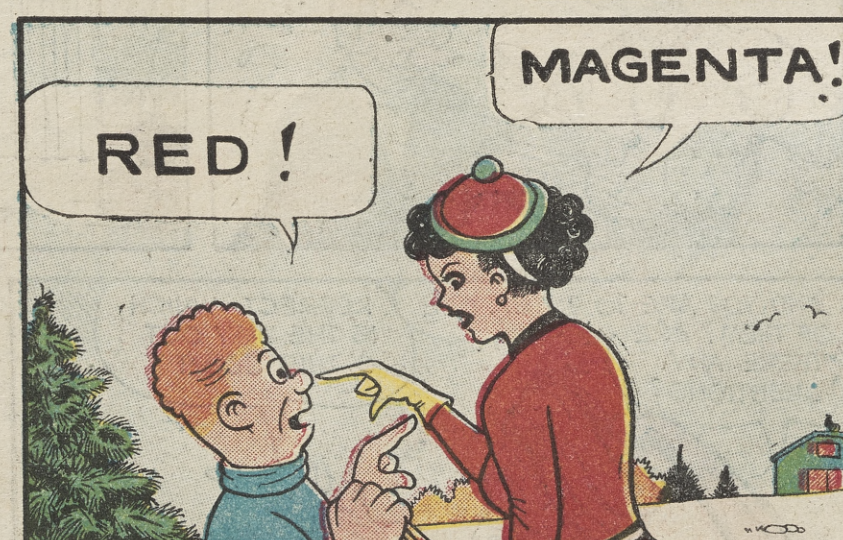

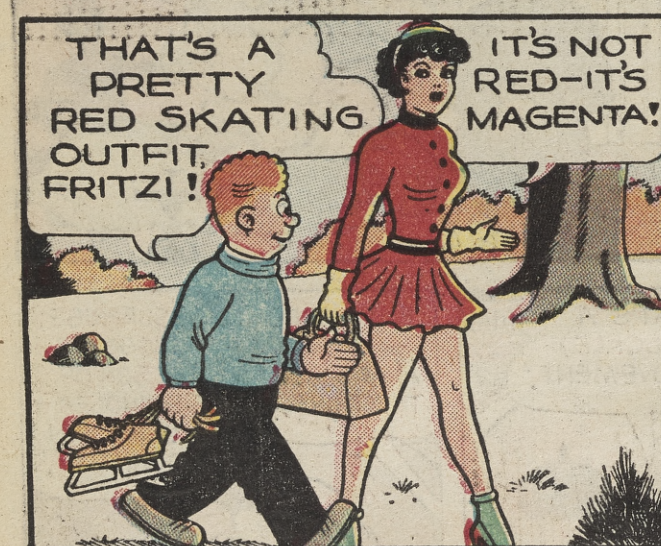

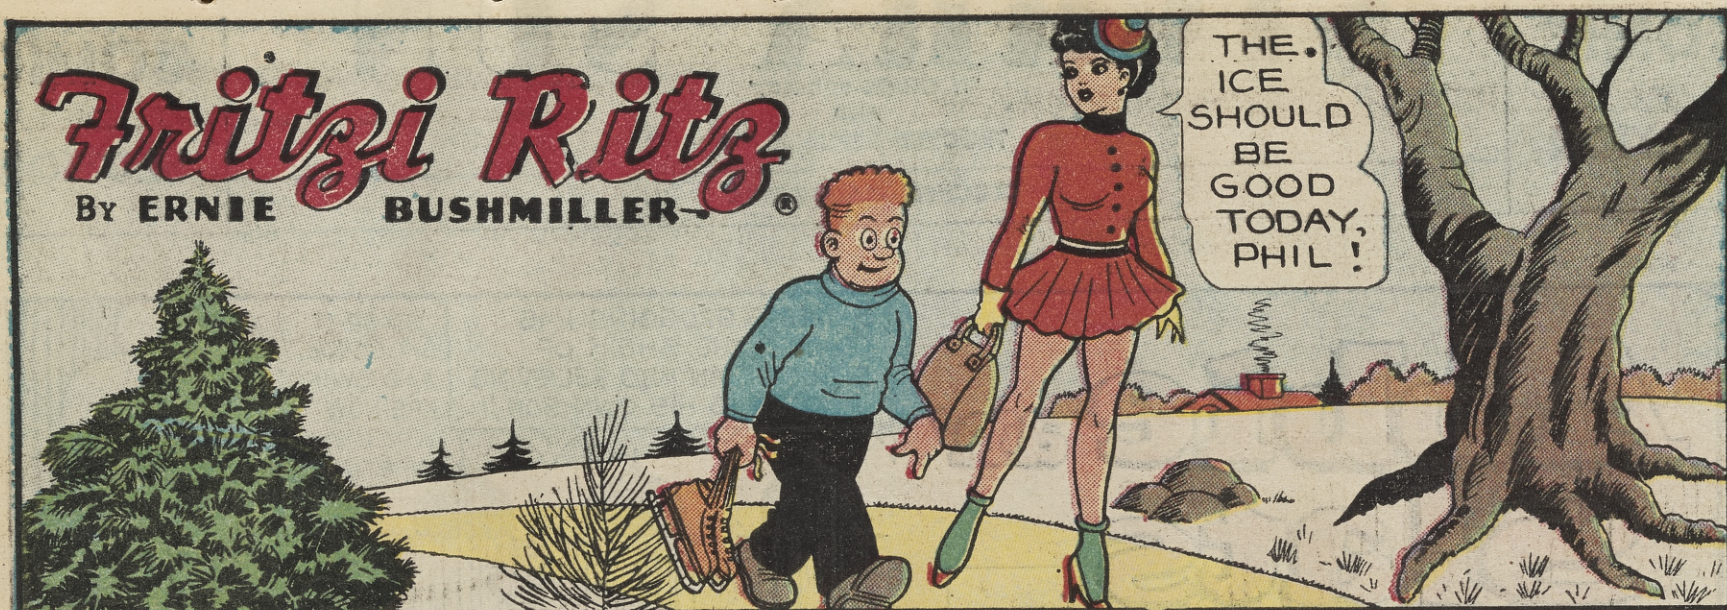

WELL, WHICH DOOR WILL BATHLESS GROGGINS OPEN?

ARCH, HOW'D THE POPCORN BAG GET SO WET?

JUG! TAKE YOUR HAND OUTA MY MOUTH!

DID YOU SEE THAT PART WHERE THE GHOST LOST HIS HEAD?

HOW COULD I? YOU WERE SITTING IN MY LAP HALF THE TIME!

THE MONSTER FROM SPACE

EXIT

THAT DIDN'T STOP YOU FROM EATING ALL MY POPCORN!

WOW! THAT SCARY GHOST MOVIE GAVE ME THE CREEPS!

LET'S CREEP IN AND SEE IF VERONICA CAN SCARE UP A SNACK!

S'FUNNY! NO ONE SEEMS TO BE HOME!

LOOK! IT'S A MIRAGE!

HEY! THE LIGHTS!

ARCH! ALL THE CHOW IS GONE!

I'VE GOTTA SIT DOWN!

TH...TH... CHAIR MOVED!

ARCH... I DON'T LIKE THIS!

WILL YOU LET GO!

I-I-I-YI-YI-YI! I JUST SAW SOMETHING WHITE RUN UPSTAIRS!!

JEEPERS! FOR A WHILE I THOUGHT THEY WOULD SPOIL OUR PAJAMA PARTY!

WASN'T IT NICE OF DOTTIE COOPER TO INVITE US TO A  
CONCERT TO CELEBRATE JOHNNY'S BIRTHDAY--?

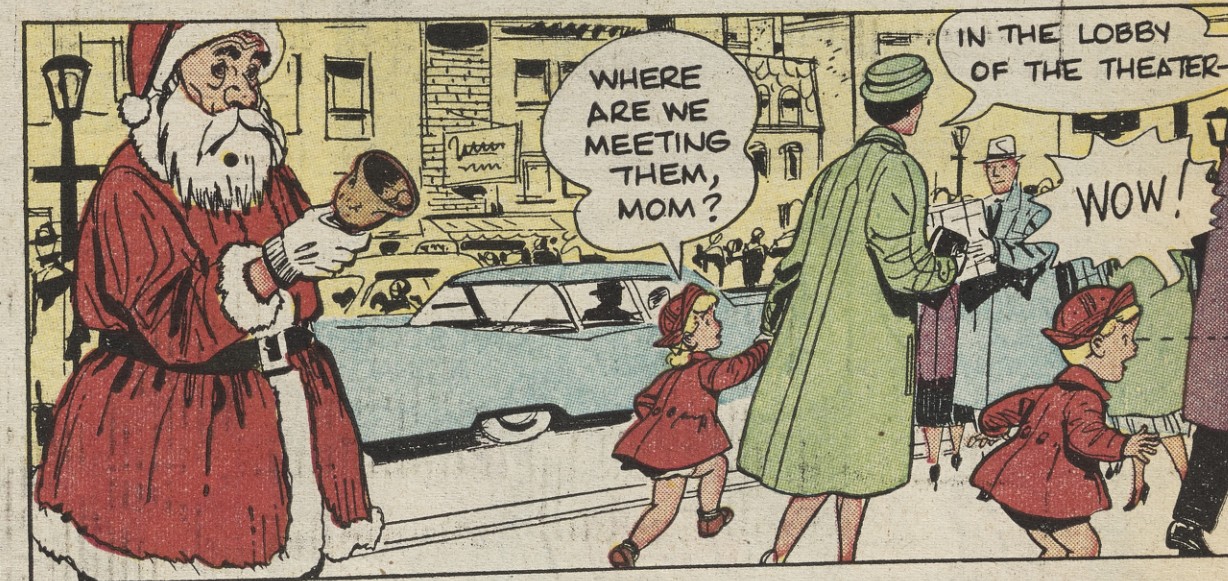

WHAT'S SO NICE?  
I HATE MUSICS!  
-AN' SO DOES JOHNNY!

YOU DON'T REALLY MEAN THAT,  
PAT--THIS IS AN ALL-CHILDREN'S  
PROGRAM AND I'M  
SURE YOU WILL  
ENJOY IT--

WHERE  
ARE WE  
MEETING  
THEM,  
MOM?

IN THE LOBBY  
OF THE THEATER--

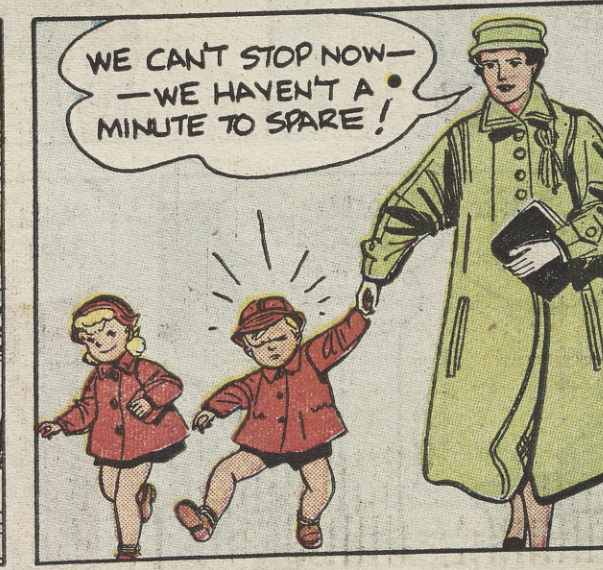

WOW!

OOOOOO!  
LOOKIT!  
HEY, MOM--  
THAT'S  
JUST WHAT  
I WANT FOR  
CHRISTMAS!

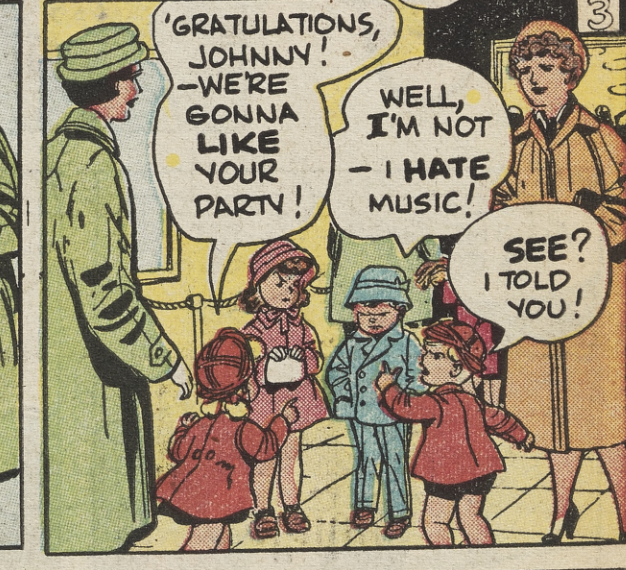

WE CAN'T STOP NOW--  
WE HAVEN'T A  
MINUTE TO SPARE!

'GRATULATIONS,  
JOHNNY--  
WE'RE  
GONNA  
LIKE  
YOUR  
PARTY!

WELL,  
I'M NOT  
-I HATE  
MUSIC!

SEE?  
I TOLD  
YOU!

GEE! THIS IS THE  
GREATEST!

Y'VEAN YOU  
REALLY LIKE  
THIS MUSIC?

WHAT MUSIC?  
-I LIKE WATCHIN'  
THAT GUY TAKE  
HIS EXERCISES!
